EMPEROR'S FAREWELL LETTER

Welcome to Alameda County. Thanks to each and everyone of you for joining us on this momentous occasion. Mama and I have had one of the most eventful reigns. This is because of the love and support of the community and our out of town friends it made it easier.

This part of our year is the hardest. How do you say thanks on paper? Somehow it seems not enough. To my community and out of town supporters, What can I say----I CAN'T LET GO!!!

I have so much love and respect for each and everyone of you...without you, I am only one star that can get lost in a GALAXY, but together we make up the UNIVERSE.

IMPERIAL STAR EMPIRE

EMPEROR VIII

DAVID MONTOYA

EMPRESS VIII FAREWELL LETTER

I would like to thank each and everyone of you for giving me the honor of representing you as your Empress.

It was not an easy job with all the projects David and I had during our reign. But our year has been a most rewarding and proud year.

With all the changes of this empire, we made it through!! I just want to express to all of you that David has traveled extensively representing all of us; I on the other hand work hard here in our community where we needed to unite first and work together.

I leave office tonight as your reigning Empress, with lots of pride and dignity. I thank you all for your utmost support thru out this year. To my Emperor David, what can I say but "I LOVE YOU."

Well, the long and winding road is almost to the end. The good times, the troubled moments, the struggles we've had and the barriers we faced. But we all made it. Thank God and may the new monarchs have a successful and fun reign.
